

## Gertrude's post-New Year's Potluck

Thursday, January 8 | 6:30pm

Salon conversation hosted by Randi Hopkins

Free and open to the public

Art makers, curators, writers, educators, art lovers – how did 2014 go for you? Highlights? Low points? What kind of ACTION are you looking forward to in 2015? How can we take advantage of Boston's recent creative surge and up the ART ANTE around here? Let's talk about it when GERTRUDE'S artists' salon takes an informal, wide-ranging, art-centric view of the current state of things at the BCA's Mills Gallery on Thursday, January 8, 6:30 pm. Maybe even get a few things GOING...

Bring a small dish to share, or just bring yourself, we'd love to see you!
