

Curated by Steven Holmes, Adjunct Curator, Bass Museum, Miami & Curator, Cartin Collection

Since 1979, the Drawing Show has been a widely anticipated hallmark of the BCA's programming. This juried exhibition has allowed the BCA to work with more than 500 artists and over 20 guest curators from across the country. This year, 16 artists were selected who work with the idea of *Residue*, traces and suggestions left behind both in their concepts and process.
